August 2016 Newsletter

Wow! Time flies when you're having fun and that is no exception at Hobby Horse Farms. We can't believe how quickly the summer has gone.

Dressage

Show jumping isn't the only thing that the boarders at Hobby Horse Farms are interested in. We pride ourselves on being diverse and competing in different facets of our sport. Several of our boarders competed in the Rocky Mountain Dressage show at Somerset Farms in July.

Congratulations to Tammy and Ollie who received two scores of 68 each which Tammy said, "are pretty decent scores". We think it's awesome, Tammy!

Phyllis and Pitching a Fit had a fantastic first dressage show bringing home two 1st places

in Training Level Tests and a 2nd place in Opportunity Level.

Greg has competed in several dressage shows but it was his horse, Captain's first time.

Although Captain was a little spirited in the warm-up he was a good boy and together Greg and Captain earned a second place ribbon in the Training Level tests. Life is an adventure with a young horse!

Finally, congratulations to our youngest dressage rider, Kamdyn and her horse Jonas on winning the blue in their first ever dressage show!

There were so many first experiences this summer and so much to be proud of. Our horses, our barn family...our awesome grooms who never let us down! This sport is not just about the ribbons, it's about the bond we build with the horses that call us teammate and friend and the people who support us along the way.
