

## Summer Happenings at Hobby Horse Farms

Wow! It's been one busy summer around Hobby Horse Farms with camps, shows and new horses!

### Horse Camp

We kicked off summer with three weeks of fabulous and fun horse camps for the kids. Jenna, Kim and the junior counselors did an amazing job coaching campers, setting up courses and taking the students on trail rides. The pool and "people jumps" were as popular as the horses as the students were able to cool down at the end of a fun filled day.

## Summer Shows

Hobby Horse Farms hosted two CHJA shows this summer and despite the risk of rain, they were a great success.

Thank you to our incredible show staff - fabulous show manager/course designer, our two lovely show secretaries, our two fabulous gate gals, three ring crew extraordinaires and last but definitely not least our fantastic in home photographer for making the shows run smoothly.

The Copper Penny Horse Show in beautiful Estes Park was a fun way for our Hobby Horse Farms competitors, trainers and spectators to come together as a team and cheer each other on!

The four (plus) days of showing were a great way to vacation with horses, friends and family. Not convinced that showing in Estes Park is for you? Check out the CHJA website for the Top Ten Reasons to Show in Estes (<http://estespark.chja.org>) and join us next summer!

## **Put a Name to the Face**

You may have noticed a few new, furry faces around Hobby Horse Farms lately!

We are so excited to introduce the newest member of Laura Kaiser's family, Cadeau Du Ciel that means Gift From Heaven.

Cadeau Du Ciel is a 7-year-old Holsteiner gelding and imported from Holland. Laura plans on showing him in the 4 ft. division.

Chelsea McKinnie and her new boy Hutton have only been together since June and they already make a great team!

Hutton is an 8-year-old Warmblood/Thoroughbred cross and comes to us from Tennessee. Chelsea hopes to show at least 3'6-3'9 jumpers!

Don't forget Lilly! April Howse added this lovely lady to her family a few weeks ago. Lilly is an 8-year-old off the track thoroughbred from an eventing barn in Kentucky. Her show name is Only in Fairytales and her Jockey Club registered name is Positively.

April hopes to compete in some of the upper hunter and equitation divisions, possibly participate in A shows and take her to Medal Finals. We think Lilly is Positively sweet!

Hobby Horse Farms is a fun and exciting place to be throughout the year. There's always a positive vibe and plenty of helpful ~~boarders~~ friends.

If you've missed out on the summer events, don't worry, there will be plenty of schooling shows, holiday parties and new faces this fall!

See you at the barn!
